DODGE CITY, Kan. (October 28, 2016) – Boot Hill Casino and Resort celebrated Breast Cancer Awareness Month this October with their Pink Power Hot Seats. While patrons won each hour on Tuesdays, so did a local charitable group, Circle of Hope Cancer Support Group.

“We deeply appreciate this large donation from Boot Hill Casino,” said Ray Shrader, Circle of Hope Board Member. “These funds will go towards helping to provide support and guidance to families in Dodge City and the surrounding area.”

Every Tuesday this October, patrons were encouraged to pick up a Pink Power bracelet at BHCR to promote Breast Cancer Awareness, and if they won a hot seat while wearing their bracelet, BHCR donated \$50 to Circle of Hope. In total, BHCR donated \$2,000 to Circle of Hope this October.

“Boot Hill Casino is proud to partner with local charities throughout the year to support their causes,” said Diane Giardine, General Manager of BHCR. “We were honored to help Circle of Hope in their mission to support cancer patients and their families.”

For additional information about BHCR, visit www.boothillcasino.com. For media inquiries, please contact Kari Casterline at 620-628-7737 or kcasterline@boothillcasino.com. For additional information about Circle of Hope, visit www.CircleofHopeDodgeCity.com or email info@circleofhopedodgecity.com,

About Circle of Hope

The Circle of Hope Cancer Support Group is a self-help 501(c)(3) non-profit corporation. The support group was formed by Jack & Jane Dalton and Ray & Pat Shrader of Dodge City. Both Jane and Pat were diagnosed as having cancer at approximately the same time in 1992. Being very proactive in seeing that they would receive the best treatment available, and have the best oncologists associated with each one's type of cancer, they both proceeded with passion to see that everything was being done to give them the opportunity to survive this dreaded disease.

The group helps patients and their families with support and guidance, as well as offers financial guidance. For additional information about Circle of Hope, visit www.CircleofHopeDodgeCity.com or email info@circleofhopedodgecity.com.
